- 18-inch bolt-on wheel covers
- 5.7L HEMI® V8 with Multi-Displacement System and 340 hp @ 5,000 rpm, 390 lb-ft of torque @ 4,000 rpm
- Daytime running lamps (U.S. market only)
- Easy-clean black vinyl floor covering
- Emergency rear door lock override
- Engine block heater
- Entire fleet keyed alike (without alarm)
- Fixed vinyl rear bench seat
- Front door body-side molding delete
- Full-size spare tire and wheel with battery cover and cargo compartment floor mat
- Independently switched white and LED red dome lamp
- Power eight-way driver's seat
- Rear inside door locks and handles deactivated
- Rear windows inoperative from rear seat
- Side-curtain air bags,⁽³⁾ front and rear passenger⁽⁴⁾
- Spot lamp, drivers-side or dual (Black or Chrome)

⁽¹⁾ No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning light in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt.

⁽²⁾ Not available with key alike.

⁽³⁾ Always use seat belts. Remember, a backseat is the safest place for children 12 and under.

⁽⁴⁾ May not be compatible with some aftermarket equipment.

DIMENSIONS⁽¹⁾/SPECIFICATIONS

Exterior
