

# TracVan Pro

SKU#: 10550-01 TracVan – 65" • 10550-02 TracVan – 72"

## APPLICATION:

10550-01: Crossbar, 65"

10550-02: Crossbar, 72"

## Standard System Includes:

- 2 Overhead Racks
- 4 Crossbar Tiedowns

## PRODUCT FEATURES:

### Built to take a beating

- Rugged, rust-free aluminum crossbars.
- Solid powder-coated cast aluminum bases.

### Breakthrough design

- Sleek aerodynamic profile – no wind noise.
- Extra-wide base for added strength and stability.
- Dual concealed fasteners for better gutter grip.

### Premium performance

- TracVan mounts in minutes to any van with gutters.
- Lightweight (25 lbs.) – but a mighty 500 lb. capacity.
- Tiedowns slide/readjust with a twist.

**TracVan's Gutter Grip -**  
allows for damage-free  
mounting and adjusting

**Whelen Light Pods -**  
LIN3™ Super LED Light  
heads and 15' cable
